(To Design at Fabby-Do or ship the in-home party fun!)

Party Policy

1. **MASKS MUST BE WORN** with a cough, cold, or runny nose. No exception for “allergies”.
If a child has a fever, or if there is a highly contagious virus in your home, or guests home, a party will need to be postponed, or your guest may not attend.

It's our job to keep our party families, guests, and staff healthy and safe, as well as keeping all art supplies clean and sanitized. Thank you for your understanding and courtesy for others in this matter, due to the changing times.

2. **Party Timeframe:** 50 minute craft. 40 minutes for food and cake.
MAX of 90 minutes long for a creativity party experience at Fabby-Do.
3. Parties are held on **FRIDAYS & SUNDAYS ONLY** as we close the shop to the public for private events and thoroughly clean the shop between guests. Saturdays designated for craft appointments only.

A Saturday party may be held if Fabby-Do has had to close on a Sunday due to vacation or holiday and could possibly add another party day to our schedule.

4. **FOOD POLICY:**
We network exclusively with **JULES PIZZA ONLY**, our neighbors next to Fabby-Do, for all food.
NO OTHER OPEN FOOD of any kind is permitted.
You may bring individual bags of chips or snacks. No open bowls of snack food permitted.
JULES PIZZA also offers gluten free and dairy free options. You may order anything from their menu.
YOUR PIZZA ORDER WILL BE PLACED DIRECTLY THROUGH FABBY-DO
to ensure delivery on time for your event.

5. Minimum of 10 creating guests for a party. Max of 30 guests total, due to fire code.
Max of 20 creating guests seated, however we can accommodate more craft seating if over 20.
Overflow guests above 30 will not be permitted in the store due to fire code.
6. **COST:** \$150 PARTY FEE plus a craft fee, per person.
Craft choice pricing will vary for each celebration.
Choice of one craft per party, with the exception of costume parties for male and female guests.

7. All parties are **PREPAID-IN-FULL** (by phone) upon booking, at a 10-guest minimum.
Your final headcount will be due the Wednesday before your event.

Your headcount will be locked in, meaning we cannot add or subtract from your order once it is placed, as we can prep over 150 children in a weekend. It takes a lot of time and energy to order and prep our experiences for guests. Please make sure of headcount.

Please Note: If a guest is sick, craft fee will still be charged, however you may take the extra craft home with you, or opt for a gift certificate for remaining balance, to use at another time.
10% off craft charge for 10 or more guests.

8. **CANCELATIONS: *THERE ARE NO REFUNDS.**
However, if guests are sick, party may be rescheduled for a later date, or you may use balance toward store credit. If Fabby-Do Staff are sick (with COVID, Flu, or any other type of serious illness), you will promptly be notified, and party will resume at a further date after staff are well.

Your guests must be notified of our sick policy and wearing of masks before attending your party.
Fabby-Do LLC does not supply extra masks for guests. Must bring your own masks.
