

## APPOINTMENT POLICY

Appointments are held on WEDNESDAYS THROUGH SUNDAY

Appointments may be booked online 2-10 days in advance and are subject to review and confirmation by Fabby-Do management. Please contact Fabby-Do at 215-939-0233 for any questions or to schedule an appointment greater than 10 days in advance.

**GUESTS:** Appointments are for 1-3 children and one parent per child permitted

Small Groups (up to 9 children, 15 total guests) are permitted with the following conditions:

- All children must create the same craft
- No food, presents, etc. (this constitutes a party and must be booked as a party)
- Small group appointments held on weekdays or weekday evenings only (Wednesday-Friday)

**SICK POLICY:** MASKS MUST BE WORN with a cough, cold, or runny nose.

No exception for “allergies”. If a child has a fever, or if there is a highly contagious virus in your home, or guest’s home, a party will need to be postponed, or your guest may not attend.

It's our job to keep our party families, guests, and Fabby-Do staff healthy and safe, as well as keeping all art supplies clean and sanitized. Thank you for your understanding and courtesy for others in this matter, due to the changing times. Fabby-Do does not supply extra masks for guests.

**FOOD POLICY:** No food, drinks, or desserts are permitted for appointments or small groups. A party must be booked for larger groups and/or inclusion of time and consideration of food.

**COST:** The cost of an appointment/small group is the cost of your craft! Crafts must be purchased in advance and are subject to confirmation by Fabby-Do management. Fabby-Do will confirm your appointment after your craft has been purchased. Appointment is not confirmed until completion of craft purchase.

For special events, please be sure to purchase your craft with your special code, if applicable.

Please contact Fabby-Do management by phone for any changes in your schedule. There are no refunds however, an alternate time may be scheduled, or craft may be picked up curbside.
